United Kingdom	

* "Company" means the owner of the ship or any other organization or person such as the manager, or the bareboat charterer, who has assumed the responsibility for the operation of the ship from the owner of the ship and who, on assuming such responsibility, has agreed to take over all the duties and responsibilities imposed by the ISPS Code.

** "Company Security Officer" means the person designated by the company to:

- (a) ensure that a ship security assessment is carried out
- (b) ensure that a ship security plan is developed, submitted for approval and thereafter implemented and maintained
- (c) act as a liaison between port facility security officers and the ship security officer
